

*Skilled surgeons.
Specialized care.*

The surgeons and staff of Premier at Fort Sanders Regional offer patients comprehensive care backed by experience and expertise. All of our surgeons are board certified in general surgery, and we offer East Tennessee's largest group of board certified vascular surgeons.

Surgeons are fellowship-trained and have distinct areas of interest in addition to practicing general and vascular surgery:

- Dr. Richard Brinner: vascular diseases
- Dr. Kevin Zirkle: endocrine surgery
- Dr. Hugh Hyatt: varicose veins
- Dr. Randal Graham: breast cancer surgery
- Dr. Michael Kropilak: advanced laparoscopic procedures
- Dr. Greg Midis and Dr. Paul Dudrick: surgical oncology
- Dr. Richard Young: endovascular surgery and varicose veins

With specialized skills and knowledge in diverse areas of interest, the surgeons of Premier at Fort Sanders Regional provide patients with the best options for comprehensive, state-of-the-art care.
